300. Quady Winery's Sweet Dessert Wines

One 375ml bottle each of three Quady dessert wines.

Essensia: Orange Muscat, an aroma reminiscent of Orange Blossom and Apricot, and a lingering refreshing aftertaste. The wine is lightly fortified to about 15% alcohol and aged for 3 months in French Oak. Its relatively high acidity makes it taste balanced, more like the taste of fresh fruit.

Elysium: Black Muscat has a rose-like aroma and litchi like flavor. This rose-like aroma led us to name the wine Elysium, Greek for heaven. Smelling and tasting this wine makes one think of dessert. Try one of our favorites; pour Elysium over Vanilla Ice Cream.

Electra: Orange Muscat is a low alcohol (only 4%) picnic wine, light delicate and refreshing. A breath of springtime - like a bouquet of flowers with tastes of peach and melon. Accompany with spicy picnic foods, salads, pastas, and desserts.

Donor: Quady Winery

302. J. Davies 2007 Cabernet Sauvignon - 94 Points

Rated 94 Points by Robert Parker, this J. Davies 2007 Cabernet Sauvignon is a treat from the Diamond Mountain District of the Napa Valley, created for you by Schramsberg Vineyards & Cellars.

"The 2007 Cabernet Sauvignon is composed of 84% Cabernet Sauvignon, 12% Malbec, and 4% Petit Verdot. It offers beautifully sweet black and blue fruits (particularly cassis and blueberries) interwoven with hints of Chinese black tea, incense, charcoal, and forest flora. Full-bodied with silky tannins, a terrific texture, and a stunningly long finish, this impressive 2007 can be drunk now and over the next 20-25 years." - Robert Parker

Donor: Andris & Nancy Dindzans

303. Skinner Syrah 2007

In 1861, James Skinner planted one of the first vineyards in California near the Gold Rush town of Placerville, helping to establish a wine culture that has been growing in prominence ever since. Warm days and cool nights, coupled with decomposed granite soils, make the area ideally suited for growing Rhone varieties.

Sourced from a hillside vineyard in Fair Play, this Syrah spent 21 months in French oak and is a blend of 877 and Noir clones. It shows a core of ripe blackberry, boysenberry, and blueberry aromas coupled with hints of white pepper, leather, and charred meat. The combination of integrated tannins and pronounced minerality results in a full-bodied wine with a lengthy finish. Rated 91 points.

Robert Parker rating of 92-94+. The 2005 Behrens Family Reserve is a blend of 31% Cabernet Sauvignon, 25% Cabernet Franc, 23% Merlot, and 21% Petit Verdot. A saturated ruby/purple color and blackberry as well as charcoal notes emerge from this full-bodied 2005. Low acidity, ripe tannin, and abundant texture and opulence are classic elements of Behrens wines. This fun, innovative offering is loaded with character, purity, and richness.

309. Matthew Daniel 2005 Oakville Cabs

2 Bottles of Matthew Daniel 2005 Cabernet Sauvignon. This reserve cabernet is grown in their Oakville vineyards in Napa Valley.

310. 1997 Monticello Cabernet Sauvignon

Incredible, rare 1997 Napa Valley Cabernet Sauvignon from Monticello Winery. Cellared 14 years. 91 points

Wine Spectator (Oct. 31 2000):

"Tight, with concentrated plum, chocolate, blackberry and toasty oak notes and hefty tannins that carry through to a flavorful finish."

Updated/Current review from California Wine Club (2010):

"On the nose the blackberry and black cherry notes we enjoyed ten years ago are still intact. The wine has also taken on a beautiful secondary aroma profile of lightly toasted oak, pencil lead and olive tapenade. On the palate, the rich and chewy tannins we experienced in its youth have rounded out on the edges. Its general characteristics of a dark rich fruit, full body and long finish are still fully intact. **This wine can easily hold for another 8 years.**"

Note: Decant one hour prior to serving.

311. Behrens and Hitchcock Magnum - 1999 Merlot

Robert Parker rating 91-93. The 1999 Merlot Napa is structured. It reveals a black/purple color, terrific fruit intensity, a big, weighty, blackberry and cherry-scented nose, and plenty of volume and power in the mouth. The smoky oak is beautifully integrated, as this wine seems to have already sucked up its new oak aging. There is more tannin in the finish, but this is a large-scale, blockbuster Merlot that will last 15-20 years. Don't be surprised if someone stumbles across a bottle in about two decades and thinks it is one of the finest Merlots ever made in California.

Donor: Michael & Wendy Maloon

313. Del Dotto 2007 Cave Blend Wine

The 2007 Cave Blend is the perfect dark, purple hue. Its aroma imparts the marriage of cassis and earth. The palate gives you a bowl of fresh fruit flavors of wild strawberries and plum and then rounds out with the elements of wet stone, and charcoal. The finish is well balanced with a hint of vanilla. The very special character of our wines begins with the unique vineyard soil of Napa Valley. After long seasoning in our custom prepared barrels, the wine is kept quiet and cool, cave-aged in our own centuries old hand dug Del Dotto Caves. 80% Merlot, 10% Sangiovese, 10% Cabernet Sauvignon.

314. Castello di Amorosa Barbera & Il Brigante w/Aerating Pourer

2 Bottles of 2009 Barbera and 2 Bottles of 2006 Il Brigante from Castello di Amorosa in Calistoga. Aerate your wine as you pour it with the Rabbit Aerating Pourer (includes two silicone stoppers).

2009 Barbera Tasting Notes: A fine example of how flavorful a dry red wine made in the Italian style can be. This Barbera has a medium body and lively acidity. On the palate this wine is initially peppery, but quickly the fruit bursts out and is suggestive of blackberries. The aromas are reminiscent of dried Italian herbs. Aging exclusively in French Oak rounded out the mouthfeel without overwhelming the fruit on the finish.

2006 Il Brigante Tasting Notes:

Pretty aromas of red currant and black cherry mingle with black fruits with a touch earthy, cured meat aromas that frame the wild berry flavors and toasty oak on the palate. The wine shows polish with a good balance between acidity and round and ripe flavors. Finishes with moderate, well-integrated tannins. Delicious and supple now, it will continue to improve for several more years to come. Pairs well with beef or lamb roast in a red wine sauce, duck and rich, roasted vegetable dishes.

317. 2003 Sine Qua Non Sublime Isolation

Robert Parker rating of 94-96. The spectacular 2003 Proprietary White is a blend of 44% Chardonnay, 37% Roussanne, and 19% Viognier. A nose of citrus blossoms intermixed with honeysuckle, butter, sealing wax, and tropical fruit is accompanied by a stunningly textured, opulent, dry, full-bodied white that caresses the palate without tasting over the top or too heavy. Finding a bottle of Sine Qua Non is no easy task since virtually all these wines are sold to longtime mailing list clients as well as the country's finest upscale restaurants. This is a tour de force in winemaking!

Dining & Entertainment

500. A Night at the San Francisco Symphony

2 Tickets to the San Francisco Symphony on Friday, July 8. From your Premier Orchestra seats in Davies Symphony Hall, you will enjoy Summer & the Symphony, my classic Russian Favorites. Expect drama, color, and big, big thrills from three iconic Russian composers and their signature works. *Night on a Bald Mountain* entered the American consciousness in the 1940s courtesy of "Fantasia." Its pulsating rhythms and exotic imagery continue to fire imaginations today. *Rachmaninoff's Second Piano Concerto* inspires awe for the remarkable solo turn, delivered here by the electrifying pianist Valentina Lisitsa. But there is no piece more vivid and evocative than *Scheherazade* - its achingly sweet violin solo and sweeping melodies transport listeners to another time and place.
