

CONCERT FOR A CURE

An Invitation for Sponsors

The 19th Annual Concert for a Cure is a Northern California fundraising event with one goal: Bring a cure for Spinal Muscular Atrophy. Proceeds from this event benefit Cure SMA, the leading SMA research organization. We need your help now to make a difference in the lives of thousands of families. We invite you to be a Sponsor for 19th Annual Concert for a Cure benefiting Cure SMA.

This exciting event has contributed over \$2 million in funding for valuable research and family support programs through Cure SMA. This year's dinner and auction event will draw 350 attendees from throughout the Bay Area!

Hosted by three families of children with SMA, the McHale, Dindzans and Barsotti-Dooling families, [Concert For A Cure-Jazz & Jeans](#) will be held on Saturday, May 11, 2019 at Diablo Country Club in Diablo, California. Please join us in what is sure to be a night full of memories, good times, and most importantly, hope.

WHAT IS SMA?

Spinal Muscular Atrophy (SMA) is a neuromuscular disease from birth that robs infants the ability to crawl, swallow and even breathe. *SMA affects every race and gender.* Every 12 hours in the U.S. a child is born and diagnosed with SMA. More than 7 million Americans carry the gene that causes SMA, the number one genetic cause of death for infants.

WE NEED YOU!

Your support is critical now more than ever before. Every day, our families wonder what could have been, had our children not been diagnosed with SMA. Every day, thousands more families across the world with children wonder when a cure will come for them. All of the money raised at the Concert for a Cure will benefit Cure SMA, a non-profit 501(c)(3) organization that funds the research necessary to develop a treatment and cure for our children. With your help, we *will* find a cure.
