2010. Barrel Blending & Tasting Party for 8

Conn Creek's Experience offers wine lovers of all levels a one-of-a-kind Napa Valley wine tasting and making experience.

Winemaker for a Day – You will learn about the grapes that contribute to the exceptional Napa Valley Cabernets and barrel taste from several AVA's. You will learn about and barrel taste the blending wines, Merlot, Cab Franc, Malbec, and Petit Verdot that further differentiate the cabernets from our many Napa vineyards. Then, under the guidance of your Conn Creek wine educator, who will tell you about blending techniques and strategies, you will blend your own wine and create your unique recipe. When your blend is just the way you like it, you will make your own bottle of wine, drawing wine directly from the barrels according to your custom recipe, then filling, corking, and creating a label for your masterpiece. Each participant will take home their custom-made and labeled bottle of Napa Valley wine.

Tasting Party later - Who in your group made the best bottle of wine? Find out 6-9 months later as you gather back together for a Hosted Tasting Party. The party can be at one of your homes or, if you choose, at the home of the Topor's. Food to pair with your wines will be provided as you bring back your bottle for a blind tasting and see whose bottle gets 95 points! Save your recipes from the Blending Experience, in case you would like to order more of your own blend, or of the winning bottle's blend.

2000. Lamborn 6L 2012 Howell Mountain Zin

This signed 6 Liter bottle of 2012 Lamborn Family Vineyards "The Diamond Anniversary" Zinfandel comes from their 4-acre vineyard on Howell Mountain high above the Napa Valley. Heidi Barrett of Screaming Eagle Fame* is the winemaker. Mike and Terry Lamborn have been steadfast supporters of Concert for a Cure since 2007!

91 points - "The nose immediately presents sumptuous notes of black cherry and raspberry, driven by the medium toast of new American oak. Fresh spice aromas give way to underlying tones of rich red fruit, briar, cinnamon, and vanilla. Supported on a solid foundation of maximum color extraction, this is a Zinfandel of incredible balance and smoothness. Dark fruits, pepper, and spice on the front palate give way to subtle crushed rock and mineral nuances with a luxuriously long finish. Another elegant Lamborn Zinfandel, this is one not to be missed!" - Heidi Barrett, winemaker

*Heidi Barrett started making wine for Screaming Eagle in 1992, which has received two perfect 100 pt scores from Robert Parker (the '92 and '97). A 6-liter bottle of '92 SE set a world record for the highest price ever paid for a single bottle of wine at the 2000 Napa Valley Wine Auction selling for \$500,000. From our estate vineyards throughout five different appellations ~ Stags Leap District, Howell Mountain, Oakville, Rutherford, and Carneros ~ we produce a Cabernet Sauvignon that expresses the ultimate essence of Napa Valley. This charmer is loaded with sweet black and red currant fruit, some spice box, earth, and subtle oak. It is up-front, irresistible, full-bodied and layered with fruit and glycerin. The finish displays sweet tannin. Drink now or cellar between 15-20 years.

Wine Advocate: 92 Points

323. Duckhorn Magnum! 2012 Merlot

With its temperate weather and lengthy hang time, the 2012 growing season was ideal for our style of Merlot, yielding a wine that combines exceptional structure and depth with velvety tannins and alluring fruit. 312. D'Arenberg The Dead Arm Shiraz 6-Bottle Flight

So, apparently "The Dead Arm" in Australian means "Old Vine", go figure - those crazy Aussies!

This package includes 6 bottles of d'Arenberg Estate's most renowned old vine Shiraz (90+ year old vines) called The Dead Arm, in vintages 1997, 1999, 2000, 2001, 2003, and 2004. They hail from McLaren Vale of South Australia, an amazing wine growing region. Each vintage has a unique character and tasting notes, but they all have high ratings from Robert Parker, and a long bottle life. For example, 1999: *"Give it 3-4 years of cellaring, and consume it over the following **2-3 decades**. It is a timeless museum piece made in a style that can only be produced in Barossa or McLaren Vale."*

Rated from 94 points to 98 points by Robert Parker! drop the mic...
